Imagine waking up to the sound of waves crashing on the shore. This spacious, open plan living, beachfront apartment is perfect for entertaining guests, or relaxing in your own oceanfront haven. There's no need for the daily surf report, step onto your own private balcony and see for yourself! The kitchen is modern, with plenty of bench space and cupboard storage. Large windows frame the picturesque north-facing ocean view with direct views looking straight at Old Woman Island and Mount Coolum. Gorgeous natural light floods the dining and lounge area which makes you feel instantly at home. Both bedrooms are equipped with built-in wardrobes and are great sized, which comfortably fit king-sized beds. The bathroom is modern and functional and features an extra large shower space. The complex is complete with a communal roof top BBQ area taking in a 270 degree view from Point Cartwright to Coolum and back to Buderim which truly has to be seen to be appreciated. A secure underground carpark, this apartment has one allocated spot and storage area. A sparkling in-ground pool, sauna, games room and a friendly on-site management team, it truly ticks all the boxes. Located within fifteen minutes to everything the Sunshine Coast has to offer, as well as being walking distance to parks, cafes, restaurants, public transport and of course the beach, this is the one.
