Enjoying top-floor space, light and privacy, this apartment is a brilliant home base or investment for its well-appointed interiors and superb location moments to transport and local amenities. Refreshed throughout, a bright and generous living/dining room leads out to a balcony blessed with warm afternoon sunshine, while a separate kitchen features gas appliances and plenty of storage including a walk-in pantry. Both double bedrooms have built-in robes and share a bathroom (shower, tub & laundry zone) adjoining a separate w/c, while an off-street car space, reverse-cycle heating/cooling and secure intercom entry add further appeal. Moments to trams, a stroll to Caulfield Park and around the corner to Malvern Station, Malvern Central and the Glenferrie Rd retail/restaurant set, it ticks all the right boxes for a fabulous lifestyle.
