Well back from the street, this ground-floor Gardenhurst apartment is set to impress with its intelligent design elements, long list of features and fantastic outdoors to enjoy. Low-maintenance living at its brilliant best, the apartment's refined interior showcases two bedrooms (large main) with mirrored robes, as well as a stylish ensuite and main central bathroom – both with stone-top vanities and fully-tiled showers. Flanked by floor-to-ceiling windows, the adaptable open living/dining area is further enhanced by a stone-bench kitchen complete with Bosch cooking appliances and dishwasher. Step outside to discover a surprisingly spacious backyard with undercover patio and established gardens making the perfect place to relax or entertain. Other stand-out features include split-system heating/cooling, concealed laundry facilities, stylish engineered floors and double-glazed windows, plus a secure foyer with fob entry, lift to lower-level parking space and storage cage. A short stroll to the bus stop (on Bulla Road) and thriving DFO retail precinct, it's also close to the open spaces of Woodlands Park, Mt Alexander Road trams, North Essendon Village shops and eateries, as well as easy access to local schools (zoned to Essendon North PS and Strathmore SC) and Citylink.
