**\$235,000**

Are you looking at getting into the investment property market or maybe your first home, then 21 Adelaide Street Wentworth is calling and at a very affordable price. This charming three-bedroom home is located centrally in the heart of town, close to all the shops, schools and services and set on a very neat 750m<sup>2</sup> block. With a sunroom and office, or fourth bedroom running across the back of the home, a three-car carport and garden shed, this would be a great project for the astute buyer.
