Contact agent

Located on the northside of town in the Trenayr Industrial Area, this 2245m² Industrial block features a north easterly aspect and is on the high side on the road. Number 21 Adonus Close, Trenayr is zoned E4 General Industrial, Industrial land in the Clarence Valley has been traditionally tightly held and now is no exception to this. A testament to this is the low number of industrial blocks currently on the market. 'Low Supply High Demand = Great Opportunity' if you are in the market for Industrial Block, new to the market and for sale now. For further information contact Toby Power on 0417 696 564 or Peter Grainger on 0417 217 046.
