This home will fulfill all the desires of anyone looking for acreage, tree change or not far from the beach. This large 5x2 home in a fantastic environment would be great for raising children. Situated on approx 5 acres this stunning brick and tile home offers spacious living areas with slate floors and jarrah cupboards to the kitchen with an island bench for the cooks at heart. What makes this property stand out above the rest is all the extras, not only do you have a separate study, games room, activities/craft room, shelved store room, jarrah french doors, wood fireplace for cosy nights, 31 course ceilings throughout, security system, broadband internet, powder room, access to the great outdoors from the master bedroom and that's just the inside... Step out on to the paved verandahs, relax under the gazebo or take a stroll around the gardens and admire the local flora and fauna. For those in need of a man cave there is a massive 20f x 40f powered workshop, the concrete hardstand, and chook run for fresh eggs. If this is ticking boxes, please call Darryl on 0419 998 288
