:: Great location, ready for renovation?:: Room for extension, shed and garage?:: Two bedrooms and two living areas?This lovely cottage is waiting for someone to come along and give it some love! Yes, it needs a lot of work, but it has so many positives that you need to consider. • Autumn Street location between Summer Street East and Icely Road• Good size block at around 510sqm, wide frontage and room for extension• Old world look with bull nose verandah, and would look great with new picket fence• Priced to sell and would look great once taken back to its former glory• Just around the corner from Bills Beans, close to CBD and Kinross Wolaroi
