Ideal for first home buyers, young families, or empty nesters looking for something contemporary, chic and architecturally different. Situated on an elevated 596m² block within easy walking distance to city-express bus, St Stephens and Algester Primary Schools, walkways, and parklands. And only 21 km from Brisbane CBD. Freshly painted throughout inside and with near-new carpet – this home smells just like new. With raked ceilings throughout the property to emphasise beautifully inclined angles, and the additional height makes them an ideal complement to the modern living, family, and dining zones to make the home light, airy, and spacious. These stylish features extend into the bedrooms as well – with built-in robes in 2 + ceiling fans in all. And the main bedroom has its own en-suite too. The new stylish kitchen is sleek and luxe – with quality s/s appliances, ceramic cook top, glass splash back, breakfast bar; plenty of storage and bench space; and with adjoining laundry that makes for the perfect butler's pantry. And the quality vinyl flooring looks amazing and is durable too. Enjoy outdoor entertaining and family BBQs under the covered patio, and watch the kids chase the dog around the good-sized fully fenced backyard. Just sit back, relax, and unwind. Extra features of this fantastic property include air-conditioned living/dining zone; double garage; Colorbond roof; covered portico; and compliant smoke alarms.
