\$670,500

Nestled in a peaceful no-through road setting, this stunning brick beauty offers a harmonious blend of contemporary features and spacious living areas, promising a lifestyle of comfort and convenience. With 4 bedrooms plus an office, this home is designed to accommodate families of all sizes. Upon entering, you are greeted by the open plan living room that features air-conditioning and seamlessly flows into the meals area, creating a perfect space for relaxation and entertainment. The centrally positioned kitchen is a chef's delight, boasting plumbed fridge space, a dishwasher, walk-in pantry, and a breakfast bar - ideal for culinary enthusiasts and hosting guests. The home boasts a family bathroom with a separate bath and toilet for added convenience, while the ensuite in the master bedroom adds a touch of luxury for harmonious living. Outdoors, you will find an under-roof front entertaining area and a huge rear entertaining area, providing ample space for all-season gatherings and relaxation. The fully fenced backyard with side access offers room for a caravan or boat, making it perfect for those seeking adventure and exploration. For the handyman or hobbyist, a 6x6m shed with 3-phase power and a double garage provide ample space for storage and projects. The easy-care gardens, fruit trees, and raised vegetable gardens add a touch of sustainability and charm to the property. Located just 4 minutes from the CBD and across the road from a park, this home offers the perfect balance of tranquility and accessibility. Don't miss this opportunity to make your dream lifestyle a reality in this meticulously designed and thoughtfully appointed residence. Schedule a viewing today to experience the idyllic charm of this exceptional property firsthand.
