Just a short stroll from this property you will find yourself in the heart of the Coffs CBD. Situated on an 841.6 m² block with a fully fenced back yard, this home is perfect for a family, plenty of room for the kids to play and the undercover area makes for a great BBQ and outdoor entertaining area. The house consists of three bedrooms, main bathroom, open plan living area, good sized kitchen, and laundry. There is also plenty of storage with multiple cupboards throughout the home. High ceilings make this home feel more spacious and the bedrooms are all a good size with built in wardrobes. The living area opens out to a lovely sun-drenched porch and the kitchen is a very generous size with plenty of cupboards and bench space. Already set up in the back yard is a studio with bathroom and kitchenette, plus there is a single lock up garage. There is so much potential for this property, it is not often you come across an 841.6 m² block within walking distance to the CBD. Homes in this street rarely come on the market due to the ideal location. Rates: \$3,096pa Land size: 841.6m² Zoning: R2
