As you step through the front door of 21 Bishopsgate St, you're greeted by an inviting ambiance where the charm of an early 1900s Workers Cottage meets contemporary, clever design. An ornate fireplace is a focal point of the formal lounge – a beautiful reminder of the home's original heritage, juxtaposed against the modern timber balustrade on the new staircase leading to added floor-plan upstairs. A space perfect for children's bedrooms and chill zones, a chic parents retreat or guest accommodation, including split system air-conditioning, a modern bathroom and cosy alcoves. Two original bedrooms downstairs are carpeted and comfortable. In the renovated kitchen a painstakingly restored fireplace with original bricks houses a 900mm gas oven and the stylish space is open to a family /dining room, which further spills out to a wonderful outdoor seating area. Perhaps the most surprising part of this wonderful semi-detached cottage is the size of the backyard – a unique selling point for inner-city Wickham. Including side access, a garden shed, established trees and plenty of grassed play areas, there is space for kids, pets and the potential for expansion. Another impressive opportunity to be considered, the other half of the semi 23 Bishopsgate St, is also on the market. Buy both and consolidate the floor plan, earn a second rental income or consider development options. * Renovated kitchen fireplace with new 900mm gas oven/stove* Split system air-conditioning in family room and upstairs * Ceiling fans in downstairs bedroom, built in robes* Impressive upstairs open plan retreat with bathroom* Large, renovated main bathroom with bath, separate toilet and laundry* Rheem Gas Instant hot water system, gas cooking, Bosch Dishwasher* Remarkably sized fully-fenced backyard with side access, garden shed * Trendy Wickham on your doorstep and Honeysuckle precinct moments away* Option to purchase adjacent property for side income, or with potential to merge the floor plans for a full-sized family home.
