\$440,000 - \$480,000

Best offer by Tuesday 5th March at 5pm unless sold prior Tired of having to get out of caravan parks by 10am or trying to find that quiet getaway for your family or friends this may tick some boxes for you. A short 15 minute drive south of Ardrossan this home while basic has lot to offer for those wanting a holiday retreat. The combination of a area on the rise, convenient location, significant land size and low maintenance gives scope for the future and combine that with a realistic price point opens up options. For those wanting to dip their toes into the holiday rental market there is a possibility here as well. Points we feel may be of interest • Solar panels • 898 sqm land • Appealing location • Low maintenance • 2 Sheds for storage • Indirect mains water supply • Large hot water service • East facing • Water tanks Someone in Adelaide wanting a holiday home, someone in Yorke Peninsular wanting an investment or someone wanting a first home there is scope here for all, I welcome all questions and look forward to seeing you at the open inspections.
