This amazing home is as solid as they come and sits on 2 Titles on a large 3,622m² of land on The Range with only one neighbour. You will not even think you are in town!! 3 bedrooms, 2 air-conditioned, a renovated bathroom with a large walk-in shower, internal laundry, a huge air-conditioned lounge, dining and kitchen. The kitchen has been upgraded with heaps of drawers and overlooks the massive back entertaining area. The back roofed entertainment area is 192 m² under roof alone and would fit 8 cars or hold an awesome family Christmas Party, plus one remote garage on the house with extra room for a workshop, plus a 2nd toilet, 2 large rainwater tanks, solar power and a solar hot water system. A large enclosed side and back sleepout has been enclosed with sliding windows with security screens to allow the breezes to flow through the home and could easily be made into another one or two good-sized bedrooms if you need more bedrooms. This is a unique property that is one of a kind. If you are moving in from out of town and wanting a home that has a beautiful bush outlook in a quiet location, then you will not want to miss out on viewing this property. There is nothing to do, but just move in.
