Located on a no through road, within an easy stroll to major shopping and transport, this wonderful home offers those looking to enter into the market a very exciting opportunity. Not only is this lovely home in a family friendly and very quiet street, it's also central and perfectly poised to capitalise on schools, major shopping and our envious coastal lifestyle. The home itself is "quaint", it has been in the family for years, has a lovely warm feel and is much loved. An uncomplicated design boasting the flexibility to leave as is or modify into your dream home. For those who are conscious about capital gain and even more potential, the address is also zoned Medium density. Other features we love: • 1.5kw Solar Electricity • Fully fenced • Off street caravan or trailer parking option • Medium density zoning • Elevated and free from flood • Established gardens* This property is being sold by auction or without a price and therefore a price guide can not be provided. The website may have filtered the property into a price bracket for website functionality purposes.
