Welcome to your dream home nestled in the highly sought-after Vantage Estate in New Auckland. Prepare to be captivated by this stunning abode situated on a peaceful 640m² corner block. With its impeccable design and a plethora of luxurious features, this residence offers an extraordinary living experience that demands your immediate attention! Step inside this low set brick/weatherboard home, embraced by private gardens and boasting a double lock-up garage. The spacious tiled living areas exude both style and functionality, while the stone benchtops and abundant storage throughout the property adds that touch of practicality. The heart of this home is the large tiled kitchen area, complete with stone benchtops and top-of-the-line stainless steel appliances. Indulge your inner chef with the 900mm wide gas cooktop, electric oven, rangehood, and dishwasher. The generous pantry space and stainless steel double bowl sink with a drainer provide the perfect blend of convenience and sophistication. The expansive living spaces adjacent to the kitchen are designed to impress, featuring ducted air conditioning, roller blinds, and additional storage options. The bedrooms are equally impressive, offering spacious comfort with carpeted floors, ceiling fans, zoned ducted air conditioning, curtains, and built-in robes. The magnificent main bedroom is a true retreat, complete with carpeted flooring, zoned ducted air conditioning, two generously sized built-in robes, and TV points. Pamper yourself in the ensuite, featuring a double vanity, shower, and toilet. The main bathroom boasts a shower, single vanity, bath, blinds, and a separate toilet. No detail has been overlooked in this home's design, including the generously sized laundry room with a large broom cupboard, ample bench space, under bench storage, and a large utility sink. Step outside onto the substantial tiled outdoor entertaining area, where you can relax and entertain in privacy while enjoying the cooling breeze. Additional features of this remarkable property include a water tank and electric hot water system, ensuring convenience and sustainability. This is a must-see property that truly needs to be experienced to be fully appreciated.
