Escape to your very own slice of paradise in the heart of the Pyrenees Wine Region with this unique off-grid property. Set on approximately 23 acres this secluded haven offers a sustainable and self-sufficient lifestyle. Embrace sustainable living with an array of solar-panels. Completely off the grid, this property features 6 Gen2 state-of-the-art lithium batteries installed in 2022, producing a whopping 18 kilowatts of energy. This property includes spacious main shed with concrete floors, two split systems, wood fire and 900mm gas oven and cooktop, which runs off bottled gas, You'll appreciate the environmentally-conscious features, including a 22,000-litre water tank complemented by an additional 5,000-litre tank. The property boasts a private bushland, a chook shed, and a veggie patch plumbed into the dam, ensuring you can enjoy fresh produce year-round. The dam is home to silver perch and yabbies, perfect for fishing and enjoying lazy afternoons by the water. An additional feature of this property is the 5-acre (approx.) vineyard located at the front of the property. Enjoy financial freedom while living your best off-grid life. In a world of conformity, this property stands out as a unique and sustainable retreat. Don't miss your chance to own this off-grid retreat. Act now and make your dream a reality.
