Welcome to 21 Calvert, a charming property in the heart of Portland, offering an affordable opportunity to embrace the convenience of town centre living. Ideal for downsizing retirees seeking a comfortable home, this residence seamlessly blends functionality with a touch of greenery. The well-maintained front garden, shielded by a private high fence, provides a peaceful oasis. Entertain your guests in the generously sized backyard patio area perfect for gatherings and celebrations. The property boasts a delightful veggie patch, allowing you to indulge your green thumb. Inside, discover a cozy haven with three bedrooms that provide ample space for relaxing or creativity. The open-plan kitchen and living area offer a warm and inviting atmosphere, complete with a gas stove for culinary enthusiasts. Enjoy year-round comfort with the split-system heating, ensuring a pleasant living environment in all seasons. Don't miss the chance to make 21 Calvert your new home, where comfort, convenience, and a touch of nature come together seamlessly.
