Smart, neat and well-maintained, this inviting home is centrally situated in the popular coastal town of Shearwater. A sunny, brick veneer home that has been designed to maximise light in every room and offers a terrific starter home for a young family or those looking to downsize. The open plan design incorporates a large living space and dining area, which is extended to a north facing undercover patio area via sliding doors from the dining space. A generous kitchen with walkin pantry, lots of bench space and breakfast bar. The fully fenced garden is flat and level with easy - care gardens and a dual vehicle garage sits at the rear of the property. Plenty of room a boat or small caravan storage. A smart home with lovely street appeal and within walking distance to cafes, shops, golf course and beaches. Make a time to explore this gem.
