New on the market in Wickepin is an ideally presented 3 x 1 home that was recently renovated and has once again been improved upon with a new fireplace, ducted evaporative air-conditioning, polished floorboards and a fresh coat of paint inside and out. The recently renovated kitchen and spacious master bedroom also have split system air-conditioning units. The smaller 3rd bedroom is currently being utilised as a large walk-in robe but could be easily used as a large office space or again used as a bedroom. The relaxing entertaining area and large backyard is well enclosed for kids and pets alike. The double car garage and adjoining workshop is lockable, powered and has a cement floor for any hobbies or projects. All the work has been done for you so give me call today to set up an inspection.
