From out of nowhere totally affordable 3 bedroom home set on a fully fenced gently sloping allotment. Looking for love, although solid and sound, the home comprises a good sized open living and dining area (s/c heater + split system). Compact kitchen with electric appliances, generous master bedroom, bathroom (bath/shower, vanity + wc) and laundry at the rear yard. Other improvements include oversize freestanding single garage/workshop with large attached carport/utility area and garden/storage shed. Roll up your sleeves and reap the rewards. Lightning never strikes twice. Property Code: 1876
