A rare opportunity to acquire a beautifully renovated beachside home, in one of the coast's most desired locations. Set on a quiet street, this fully-fenced beachside home, is just minutes walk from both Currimundi Lake and its surf beach, whilst also being less than 15 minutes drive to both the Caloundra town-centre and the Sunshine Coast Health precinct, meaning you are perfectly positioned to access all the key elements of the southern-end of the Sunshine Coast. The home itself is just perfect - from its ultra-secluded, north facing pool-area, through to the beautifully cosy kitchen and living spaces and then onto the serene outdoor entertaining area and garden, this property conveys just the most homely and welcoming feel. With three perfectly placed bedrooms surrounding the central living area, this home flows from front to back seamlessly ensuring not only does it give off a relaxed atmosphere but also, that it functions perfectly as a family home. Set on a 536m<sup>2</sup> beachside block, the property itself is configured to provide parking for up to four vehicles plus multiple storage options ensuring there's plenty of room for all the toys- even the caravan!
