Welcome to this exceptionally luxurious entertainer's dream house, boasting an impressive 955sqm parcel of land with an expansive 62sqm home meticulously designed and built by Metricon Homes. Perfectly crafted to cater to the larger family's needs, this property places key emphasis on seamless entertaining from the moment you arrive. As you approach the curb, the wow factor is immediately evident with the striking facade and extravagant frontage. The property features a triple garage with a workshop, complemented by gated side access, ideal for storing trailers, boats, and caravans. Upon entering the home, you're greeted by a sense of size and space, accentuated by feature timber paneling, high ceilings, and floor-to-ceiling windows at the rear, evoking a tropical oasis ambiance. Every feature has been meticulously upgraded, showcasing impeccable styling and a host of quality inclusions expected in a home of this caliber. The property offers an array of living zones, including formal blacked-out theater rooms, a separate family room, an open-plan family and dining area, as well as an upstairs living retreat. Ascend the stunning floating staircase to discover five bedrooms, each adorned with plush carpeting and walk-in robes, with four offering private ensuites. The master suite is a true testament to luxury, featuring a spacious haven with an open-style complete ensuite, including a bathtub, and a sizable walk-in robe perfectly fitted for all your designer storage needs. Additionally, the master suite boasts a private balcony, ideal for enjoying the adjoining reserve views. Step outside to experience the true beauty of this property, with an effortless flow outdoors through the glass timber concertina doors to the outdoor oasis. The yard has been thoughtfully designed for the entertainer, featuring an undercover entertaining area with a fireplace, an outdoor BBQ area with al fresco dining under twinkling lights, and a sparkling inground pool surrounded by flourishing tropical trees. This property epitomizes luxury living and offers an unparalleled opportunity for sophisticated entertaining and comfortable family living in a truly breathtaking setting.
