Have you been hankering for some peace and quiet out of the urban landscape? Peace can be found here at 21 East Road Capel on this lush green grass on over an acre of land. This summer you could be sitting on the private patio listening to the black cockatoos in the towering gums above. It's tending your established orchard, picking fruit off the trees in the backyard and chatting to the chickens as you weed, and it's watching the birds gloriously flit around the garden. Your new life starts here with this country Weatherboard & Iron Kit Home with expansive raked ceiling to the living area and cool slate tile flooring. Three bedrooms and One bathroom in the main home with full verandahs all way around the home. DA Approved Separate two room Working from Home Office or Teenage Retreat with bathroom & septic attached.
