This may well be a Roll Your Sleeves Up Project! 3 bedroom home, large lounge with split system, separate kitchen and laundry with attached carport. The bathroom and WC are separate and centrally located to the bedrooms. The house comes with 7 solar panels, a fenced back yard and includes a garden shed. This home has great bones, but does need some work, and is just waiting for someone to give it some elbow grease and TLC. Properties at this price level are very hard to find so be quick. RLA153432
