If you're looking for masses of space to go along with your luxurious new coastal lifestyle, then look no more. This roomy double-storey family home accommodates five bedrooms, a study, multiple living areas, and an incredible outdoor area – it's a dream come true for families of all sizes! Located in a quiet & family-friendly estate, the property sits behind a well-maintained front yard. There's a wide driveway and a double lock-up garage, while a front porch invites you into the entry foyer. From here the living spaces seamlessly flow into one another, united by wall-to-wall tiles and existing in open-plan contentment with the gourmet kitchen. Functional, stylish, and well-equipped, you'll enjoy the masses of bench and cupboard space here and the upmarket appliances. The kitchen looks out through the sliding glass doors that lead to the massive covered alfresco area. Here you can enjoy the fully fenced, flat backyard, home to a crystal-clear inground swimming pool. The master bedroom is downstairs, which has an ensuite bathroom and built-in-robe. You will also find an office/study on the lower level. A solid staircase leads to the upper level, where you'll find four bedrooms, all with built-in robes. They're serviced by a main bathroom, separate bathtub and shower, an external double vanity. Situated in a quiet and sought-after corner of Forster, close to shops, schools & parks. You're just a short drive to One Mile Beach while Stockland Shopping Centre is moments away, placing amenities, retail, restaurants and cafes on your doorstep. This is a location that sublimely combines the outdoor appeal of Forster with the conveniences of modern living! Get in touch with the JKL team for more info, we'd love to help!
