Fairwinds Estate Laurieton/Lakewood. Specifically planned for easy, minimal maintenance. Ideal for a retired couple who wish to spend extended times of the year travelling. Wide access at side, purpose designed to accommodate a large caravan. Would also suit a motorhome, large boat, even a Kenworth prime mover. Living is an attractive open plan design bathed in abundant natural lighting. This leads to an expansive alfresco for outdoor relaxation. Faces north with elevated outlook from the front. Four spacious bedrooms, ensuite and walk-in to master. Generous main bathroom. All level floor space throughout. An easy stroll down to Lakewood Shopping Complex, Medical Centre and bus stop. The privacy offered has to be seen to be appreciated.
