Located in the beautiful Sovereign Hills Estate is our our fantastic new Home and Land Package, featuring our Flagstaff design. This estate offers unparalleled convenience with shopping, playgrounds, daycares, and schools just moments away. Sovereign Hills puts everything you need within easy reach, ensuring a lifestyle of comfort and accessibility. The Flagstaff design is a home that will have you feeling like you have hit the jackpot. With a sensible layout, the design opts for all bedrooms to be along one side of the home, leaving the remainder of the home for entertaining and enjoying family life. The four bedrooms are generous and well-appointed with sensible design choices allowing for separation and privacy between each room. The master suite is set towards the front of the home and has a walk-in-robe and over-sized designer ensuite, making it the ideal escape from the rest of the home for the busy corporate couple. The media room really gives a bonus living space as it is set at the front of the home and is separate from all other living zones. A large open plan kitchen, living and dining space integrates effortlessly with the formal lounge and outdoor alfresco area, making it one great entertaining space for any occasion. The focus on modern family living in this home is evident from the moment you walk in the door, with privacy being outstripped only by functionality. With a double lock up garage and great storage options, this home has it all to make modern living comfortable and enjoyable. This package offers clients a full Turnkey home, with Stone Bench tops, driveway and high-end luxury finishes as standard. This package also offers our Designer Collection Promotion, featuring a range of luxury upgrades to the home and allowances have also been made for fully ducted air-conditioning. If you are looking for a home that has a central entertaining hub while still offering practicality and privacy for the whole family, this is the home for you. Contact our team for more information!
