Nestled in a tranquil corner at the end of a serene street, this captivating Californian bungalow stands tall on an impressive allotment of approximately 929m<sup>2</sup>, surrounded by lush greenery and just a short distance away from the park. Key Features:- The entrance hall exudes classical elegance, setting the tone for a refined experience reminiscent of yesteryears. The living room features a cozy fireplace and abundant natural light, creating warmth and comfort year-round. The living room seamlessly flows into a separate dining area, connected to a functional kitchen boasting a large island bench and modern appliances. Original ornate ceilings, cornices, sash windows, and stained lead lighting adorn the interior, preserving the home's historic charm. Stunning Baltic flooring adds character and charm to the home's interior, showcasing its unique personality. Generously sized, robed bedrooms and separate defined living areas offer ample space for relaxation and entertainment. The back outdoor area invites you to unwind amidst serene gardens. The front verandah, with timber balustrades and brick pillars, overlooks an array of fruit trees and a vegetable garden. Additional features include a 20,000-liter underground water tank and solar panels, enhancing the home's sustainability and appeal. This home continues to captivate with its traditional charm and family-friendly ambiance, making it a perennial favourite for families. Conveniently located close to shops, schools, and public transport, this home offers the perfect blend of tranquility and accessibility.
