Offers over \$295,000

Positioned on Foreshore Road in Kelso on Tasmania's beautiful West Tamar is this waterfront property. Measuring 562m² the allotment is flat and has uninterrupted views of the Tamar River to the front and sheep grazing on farmland to the rear. The shack is a very basic building which is an ideal holiday getaway or may suit a buyer looking to enter the property market and is prepared to renovate. Alternatively, the block would be ideal for the construction of a new dwelling. Kelso is a five minute drive from Greens Beach and ten minute drive from Beaconsfield where you will find all the local businesses you could want such as supermarkets, cafes, doctors and chemists. Beaconsfield has a great little Primary School and the Exeter High School is an easy commute with school bus runs in place. 21 Foreshore Road presents a rare opportunity to secure a waterfront property in an affordable price range. Call today to schedule a private inspection or attend an advertised open home.
