Auction Sat 9 Dec at 11am (Unless Sold Prior)

A subtle limestone aesthetic beyond a quaint picket fence, this 3 bedroom home presents the perfect weekender on the very edge of Sorrento Village, boasting a backdrop of lush greenery over David McFarlan Reserve and Lake. The warm and homely charm of its dual living interior is enhanced by a central open fireplace, well equipped kitchen and easy care polished hardwood floors, while the seamless flow to the large entertainer's deck with stunning feature eucalypt and elevated views across the 831 sqm (approx) garden allotment complete this ready for summer package with outstanding future potential. Three generous bedrooms are well positioned and served by a twin vanity bathroom and a separate powder room completing an idyllic retreat that also features remote controlled evaporative cooling throughout, a large split system for extra heating and cooling, and a single garage with gated rear access from the adjacent reserve. Just 200m from village cafes, restaurants and boutiques, it's an ideal Peninsula getaway or the perfect permanent shift to a laid-back way of life, taking advantage of proximity to bay and ocean beaches, Sorrento Golf Club, and the greater Peninsula's raw and refined beauty.
