Located in a quiet cul-de-sac backing onto the popular Dawn Road Reserve, this large low set family home has plenty of space for the larger or growing family. Placed on a large flat 748sqm block that has side access to the rear garden with space for a pool and benefits from 4 bedrooms & 3 bathrooms (2 bedrooms with ensuites). The real bonus to this home are the spacious living areas with separate formal lounge/dining rooms + large family room and eating area from the kitchen that opens to the outdoor entertaining area. There is scope for upgrades but with brand new carpet and freshly painted throughout you can move in today and enjoy. The double garage has new epoxy floors, and the covered outdoor entertaining area facing the landscaped gardens make this property feel like home. First time offered in 30 years and likely not to be sold again for many years to come, this is what we are constantly being asked for!
