Like striking gold, this opportunity is a "eureka" moment for the astute buyer who knows the value in owning a rare 992sqm block of land to "create their perfect world" whether it be for additional shedding, extensions to the home, addition of a large pool, plenty of roaming room for the pets or to create a beautiful lawn/garden retreat area! Being located on a desired "battle axe" property ensures privacy and no roadside noise, and to top it all off – there is a tranquil nature reserve area at the rear. Peace and quiet complete – tick! With side access to the large yard allowing for secured parking of caravans, boats, jet ski's etc – we also have housing for 3 vehicles, two in the free standing brick auto double lock-up garage and one under the carport, located right next to the house. This 3 bedroom family home also offers generous sized bedrooms, two separate living areas, 3 way bathroom and a huge Council approved undercover entertainment area. This fabulous area has a fully insulated ceiling offering protection from the rain and ensures a cool place to relax in, while the summer sun comes out to play. Overlooking the yard, this is the perfect place to kick back and relax with access from both the dining area and the large living area.
