Run Business From Home.

A perfect home set up to run a business from STCA, with ample parking, separate office or 5th bedroom, a 2nd carport and garage set at the rear as a workshop, storage or business premises, electric gates, all set on just under 1/4 acre of flat land. The home offers many options, it is beautifully designed for comfortable family living. Entering dry from the front carport, you are greeted with floating timber floors through the entry hall Lounge and dining, while off to your right is the master bedroom with a huge full ensuite. The open plan kitchen family room has a gas log fire to curl up in front of, while the sliding kitchen window makes it easy to interact with the private covered pergola BBQ area. There is the comfort of gas ducted heating, airconditioning, high ceilings, ornate cornices, and ample kitchen benches that are magnificent solid granite. Position is great for the young family close to Gracedale Park, Tintern Primary School, and walk the pet, sorry furry family member along Tarralla Creek Trail. With all the possibilities, this home grows with your family.
