Underpinned by its family credentials & lifestyle location with golf course & aquatic centre only a few minutes away, join us to discover a contemporary home fit for the growing family. With three distinct living zones—separate family room, kitchen/meals/living, and a sunroom—this home adapts effortlessly to every occasion, providing versatile spaces for relaxation and entertainment. Three generously sized robed bedrooms offer ample bedroom accommodation and all surround the main bathroom comprising a shower and a large corner bath. The main bedroom has sliding door access to a private courtyard space. Situated beneath a skylight, the open plan kitchen, living and dining domain is the perfect space to converse with friends and family while surrounding the ambient solid fuel heater. Adorned with stone surfaces, electric cooking, & dishwasher, the kitchen is sure to please the cook in the family. Further lifestyle enhancers include a split system air conditioner, central heating as well as timber floorboards that add warmth and character. Glass sliding doors reveal a covered alfresco, ideal for indoor and outdoor entertaining backdropped by your very own private, solar-heated pool, providing the perfect setting for gatherings with friends and family. The property comes complete with a high front fence & electric gate, security system, garage and a garden shed whilst the low maintenance yard includes raised vege patches for the green thumb. Adding to the home's extensive appeal is a great location just 5 minutes from the CBD and a minutes drive to the Princes Highway. Simply move in, relax, and enjoy the lifestyle of summer by the pool!
