Auction

This contemporary home is big and bright, with 4 light-filled living areas for a sense of airy freedom. Its location is equally impressive, set in the prized school catchment for Glen Waverley Secondary (STSA), just 600m to Wesley College, a 2min walk to Syndal train station, and spoilt for shopping and dining choice at The Glen and Kingsway Parade. As you step into the dramatic entrance hall, and move through the free-flowing ground level, you can appreciate the vibrant mood you get from such glorious natural light. A café window, 90cm wok burner Technika cooktop and oven and a sparkling array of LED lights welcome you to a first-class kitchen. The seamless connection between the open plan kitchen, family room and rumpus cater for relaxed family living and outdoor entertaining – with a fully featured outdoor room as the perfect spot to host parties. For live-in parents and guests, a convenient ground floor bedroom overlooks the newly landscaped floral garden, set alongside its own bathroom – versatile enough to be a work-from-home space in its own private corner. The upper level provides 4 further bedrooms including a street facing master suite with a spectacular balcony and twin basin ensuite, with an additional family bathroom offering the luxury of 3 bathrooms across the double-storey layout. It's a picture-perfect setting – lavish in size, radiant with light, with lovely garden outlooks – set in Glen Waverley's education enclave of top ranked public and private schools, close to transport, shops, restaurants, medical centres and the travel gateway of Monash Fwy and Eastlink.
