Loved for its naturally bright ambience and family-friendly design, this delightful home offers a relaxed haven for everyday family life with dual living zones, peaceful outdoor entertaining and a sought-after location in a leafy pocket of Ringwood. Heading up the home, a large entry foyer provides access through to a spacious lounge room that has been cleverly designed with a bank of windows drawing in an abundance of natural light whilst highlighting tranquil garden aspects. The addition of an ambient combustion fireplace serves to create an inviting space to recline with friends and family. Warm polished floorboards shine throughout the kitchen, meals and family zone, where stone benchtops are balanced with the modern appeal of glass splashbacks, stainless steel appliances, Asko dishwasher and a breakfast bench. French doors open out onto a wonderful entertaining patio with mountain glimpses and a large backyard offering ample space for a vegetable garden and trampoline for the kids. The master bedroom boasts a walk-in-robe and full ensuite with bath, accompanied by a study nook plus three additional bedrooms with floor-to-ceiling built-in-robos, serviced by a bathroom with toilet, third toilet and laundry. Furthermore, the home incorporates high ceilings, ducted heating, water tank, 3Kw solar panels plus a double carport. Complemented by an outstanding location that's zoned Ringwood Secondary College and within walking distance to Great Ryrrie Primary School, Aquinas College, Jubilee and Proclamation Park, Aquanation Leisure Centre and buses. Close to Ringwood Train Station, Eastland Shopping Centre, Ringwood Lake and Eastlink.
