Discover modern family living in this gorgeous property nestled away in a quiet corner of Edmonton. This 4 bedroom/2 bathroom home has been fully renovated throughout with absolutely nothing more to do! As you step inside, you are welcomed by a fresh open floorplan featuring bamboo flooring, with lounge/dining combined and adjacent to the modern central kitchen that has plenty of storage and an outdoor serving window for your convenience. The master bedroom is a highlight of this home, the perfect parent's retreat that has a walk-through robe, a gorgeous renovated ensuite with his/her vanity and a double shower. This bedroom also has direct patio access. All other bedrooms have air-conditioning, robes and carpets. The main bathroom features a bath and has been completed with high detail. As you move outside, you will be greeted with a large outdoor entertaining area that is great for entertaining friends and family throughout the year and also a generous-sized rear yard for the kids and pets to play. This property comes complete with a 9-kw solar system, side access, a 7x7m powered shed which is great for all the toys or storage, a rendered block wall with an electric gate for added security and also a kid's cubby house. Features:- 4 bedroom/2 bathroom- Large main bedroom with ensuite- Bamboo flooring, carpet & tile- Split system air conditioning- 7x7m powered shed- 9kw solar system- Freshly painted throughout- Fully renovated- Rendered block wall with electric gate- 700m<sup>2</sup> block Convenience meets elegance in every corner of this property.
