\$665,000

This beautiful home is in a handy location close to schools, playing fields, university and the East Lismore shops. Of low maintenance brick and tile construction, the home features three large bedrooms, all with built-in wardrobes and ceiling fans, plus a study that has internal access to the double garage and second toilet. The large kitchen has an electric oven and a dishwasher, along with loads of storage, all flowing to the air-conditioned dining and living area. The home has been recently updated with new vinyl flooring and carpet through out. Out the back you are greeted by the large entertaining area, easy care gardens, storage shed and fully fenced yard. Solar panels keep the electricity bills in check, maintenance and access are a breeze. In a quiet neighbourhood surrounded by quality homes, this is one not be missed!
