A beautiful tiled path leads to the front door. Upon entry you will find an open plan design of kitchen, dining and lounge room. There is another lounge area which has direct access to an undercover entertaining area that overlooks the swimming pool. The kitchen features electric cooktop and oven, dishwasher, double stainless steel sink and a good sized pantry. All three bedrooms are carpeted with built in robes and the master has a modern ensuite with floor to ceiling tiles. The main bathroom has a full bath, separate shower and vanity, the WC is located separately. The original U shape design has plenty of cupboards in the hallway and has had a clever renovation. This home is climate controlled via split systems, evaporative cooling and ceiling fans. The backyard includes a garden shed, citrus trees, chilli plants and more and is very low maintenance. A bonus is that there is no rear neighbour. On the other side open the electric roller door is a spacious carport for 2 vehicles. The property is fully fenced and in a popular area so be quick as this one won't last long. To view this home phone Toni or Drew today on 0403 201 653.
