Nestled at the end of a quiet cul de sac is this neat, 3-bedroom, brick veneer home. All bedrooms are of good proportion and feature built in robes and ceiling fans. The heart of the home is a spacious main living area with combustion wood heater for those cold winter nights. The well-equipped kitchen has plenty of space for the budding master chef with electric oven, gas hotplates and dishwasher and leads on to the separate dining space. An updated bathroom and toilet complement the rest of the interior of the home. Outside there is a double carport and gated access to the large backyard perfect for your pets or kids to run and play safely as well as 3m x 3m approx. garden shed. All on a generous 724m² allotment. Other features include split system heating and cooling, good size laundry and well maintained front and rear yards. Located close to shopping, schools, parks and only a short drive into town this will suit numerous buyer types.
