Just 4 mins to the Noble Park train station, buses, super-market, and local shops with cafes, chemist, bank, bakery, and more. Located near a beautiful park, swimming pool, gym and sports grounds a stone's throw away, and a choice of schools and kinder within a short drive. Other developers have taken advantage of the knock-down-and-rebuild potential in this street, and there are attractive town-house developments already. Drive over and take a look.
