Type: Residential Land

Daron Gumley

\$205,000

What is generally considered a 'double block' in size, 21 Lord Liverpool Drive sits at the highly favoured end of Bell Buoy Beach, surrounded by quality holiday and permanent homes, that is testament to the vision the developer had back in 2006, that's right, this block of land has never changed hands from the original owners, and due to a change in direction, you now have the opportunity to capitalise and realise a coastal dream. What are the other key points worth noting: Flat with no designated building envelope on the plan. 2-3 minutes easy stroll to a fantastic white sandy beach. Protected from the lazy nor' westerly winds. Sealed access to your new home site. 8-10 minutes drive from George Town, 40-45 minutes from Launceston, but only if you wish to leave your coastal haven.
