Fantastic opportunity to secure a compact but very functional 2 bedroom home set on a 725m² block. With a self contained lounge room and kitchen area and a double garage with concrete floor with power connected. The land is situated only one block from the shoreline, approximately a 60m walk over the sand dune. With some tender loving care, there is so much potential and endless opportunity to make this property your dream beach escape. The soothing sound of the waves will be what you hear all year round! If you're looking for that beachside retreat, this could be the one for you! For a Due Diligence Checklist go to: consumer.vic.gov.au/duediligencechecklist
