\$495,000

In a private location, close to township amenities, this attractive 2 storey, 3 bedroom dwelling is possibly one of the best-available opportunities to own a highly productive hobby farm with features including; chemical-free vegetable plots; productive orchard and chicken coups. This property features numerous sheds and outbuildings and has an abundance of tanks to supply the residence and garden. Other features include; the lease of an additional 5 acres of land, with access to grazing; solar panels (5.1 KVA); access to the Mt Emu Creek and extensive rural and creek views.
