This exceptional inner country lifestyle property is one of the hidden jewels of the Macedon Ranges. Features include a very privately sited residence in an elevated position nestled within a beautiful established garden setting adjacent to and overlooking a stunning ornamental lake of approximately 8 acres surface area plus a second separate 2 bedroom log cabin cottage. Accommodation includes entrance hall, lounge/family dining room and kitchen/meals area with views overlooking the lake, 3 bedrooms plus 4th bedroom/lounge, two bathrooms, laundry, integrated two car garage and cellar/storage room. There is a hydronic central heating, plus reverse cycle heating and air conditioning. Superb lifestyle features include a flood lit mod grass tennis court, with adjacent bar-b-cue pavilion, 2 box stable, tack room and a ménage. There is an orchard with apples, pears, apricots, fig, mulberry, plums, a small vineyard, a 25m jetty on the lake, and there is an external fire protection sprinkler system. Farming features include excellent highly productive red volcanic soils, good pastures, 6 main paddocks with established cypress tree shelter plantations, water troughs in each paddock, a machinery shed, cattle yards, and irrigation plumbing reticulated via underground mains to hydrants in three paddocks.
