Robert Miller

\$345,000

Located close to shops, schools and transport, this three bedroom home offers space on a 1075 m² block that allows room for the children to play or to add another shed. The lounge room is located at the front of the home and the kitchen and dining flow from there. There are three good sized bedrooms and a separate family room that flows through to a sunroom located on the North Easterly side of the home making it an ideal spot for your morning cuppa. There is a good sized double garage that makes an ideal workshop plus a covered carport for off street parking. Call Peel Valley Real Estate to arrange an inspection.
