Nestled in a highly desirable neighborhood, this home offers an enviable lifestyle. Situated directly across from the picturesque Chadwick Park playground, it's an ideal haven for families and outdoor enthusiasts. The property boasts a generous 624m² block with dual driveways, providing convenient drive-through access to the backyard-a perfect solution for additional parking, whether you have a caravan, boat, or multiple vehicles. Surrounded by quality homes, this residence embodies the essence of comfortable, quality living. Step inside, and you'll discover a well-designed interior that caters to your every need. The master bedroom, complete with a full en suite and walk-in robe, offers a private sanctuary for relaxation. Additionally, the property features a dedicated theatre room, providing versatility as an extra living area or a spacious home office to suit your lifestyle. Three other bedrooms provide ample accommodation options, with two featuring walk-in robes and the fourth bedroom equipped with built-in robes. The well-appointed kitchen overlooks a spacious open-plan family living area, seamlessly connecting to a large alfresco space idyllic setting for hosting gatherings and making cherished memories with family and friends."Other extras include ducted heating, evaporative cooling, downlights, brand-new carpets, well-established gardens, and the double garage with internal access.
