Ideally positioned footsteps to the heart of Coledale village, this most impressive detached home features a treasure trove of charm, beautiful furnishings and spectacular views. Across the road from Sharkey's Beach and tidal rock pool, this really is a dream location. The home is spacious and comfortable, with massive under cover balcony and ocean views from most of the rooms. Check the surf from the balcony before you make a dip. Just throw your towel over your shoulder, or grab your surfboard and stroll down on the spur of the moment. Soak up the sun on the North facing balcony, featuring 180 degrees views of the ocean and the escarpment. Take a stroll to Coledale village, where you will find a number of coffee shops and eateries to choose from. Public transport is also available close by, either by train or bus. Take your pick of other famous landmarks, like the Headlands Hotel in Austinmer or Scarborough hotel, if you fancy a change. You can also catch a curtesy bus from Coledale Beach to the newly refurbished Imperial Hotel in Clifton, offering amazing food and drink all day long, with amazing views and unforgettable atmosphere. Afterwards a walk along the famous Sea Cliff Bridge will take your breath away with the unique scenery, where the mountain meets the sea. Please note that garage is not included, but there are two open parking spaces accessible from the rear lane. 4 - 6 month lease to commence in June. Pets are not allowed, sorry.
