Nestled in a small enclave of high calibre homes, Ray White Port Douglas are proud to present this superb opportunity in a prime beach front location, 21 Oak Street, Oak Beach. This 'reinvent yourself' double storey home opens the opportunity to enjoy a classic beach hideaway or create the beach house of your dreams on the famous private 1500m strip of golden sand. Boasting 6 bedrooms and 4 bathrooms, across the main residence and separate studio, the home is a blank canvas ready for revitalisation. The wide verandahs surrounding the property capture cooling ocean breezes, and the open plan living connects the naturally beautiful surroundings and endless Coral Sea views. Oak Beach living benefits the new owner with a location secluded enough to enjoy a more laid back lifestyle, while being 15 minutes from five star shopping and dining of Port Douglas, and 45 minutes to the Cairns domestic and international airport. Oak Beach has long been a secluded holiday haven and 21 Oak Street has the potential to enter the lucrative holiday rental market for visitors to Tropical North Queensland. Whether you are looking for an awesome beach shack or an immediate renovation, or something to rejuvenate slowly, here is your chance to purchase a spacious well positioned property in a tightly held beachside pocket.
