True freedom beckons! Fertile soils, native hardwoods & massive rainforest giant trees. Rain fed springs & tropical forest streams. A nature lovers delight, rare orchids & animals inhabit the landscape. A bird watchers paradise with over 50 identified species. Thousands of hectares of uninhabited land adjoins the property. The heights of Mt Fantastic overlook the valley & the vastness of Cape York. The property has Council Approval for a Tourist Park. Create your own nature tourism business, eco retreat, farm or a peaceful living experience. Just 20 minutes north of Cooktown on the road to the Lakefield National Park. A rare chance to buy a special piece of Australia at the very reasonable price. Secure this property today contact your local agents today.
